

Avalo® Series Medical Cart Line Procedure Cart

The Avalo Series Procedure Cart offers ample storage capacity and a wide selection of organization accessories to accommodate the largest bulk items to the smallest medical supplies. Choose from a selection of model heights and drawer depths to facilitate procedure workflow.

The Procedure Cart is adaptable to many different healthcare applications, including trauma, airway, dressing, cast, or general supply cart. A choice of three (3) proven lock systems, including an advanced keyless entry with auto-relock, provide secure and safe storage when required.
